

## **Q2Learning Named a Top Specialized Learning Process Provider by TrainingOutsourcing.com**

**Falls Church, VA, (July 2007)** – Q2Learning, the leading provider of enterprise software for collaborative learning has been named one of the top specialized learning process providers by TrainingOutsourcing.com.

Q2 finds itself in good company as the “Top Specialized Learning Process Providers” list includes those companies that are recognized as leaders or “best in class” in supplying specific learning process services in support of comprehensive training outsourcing service providers or directly to corporate and government clients.

“Q2Learning’s experience in providing collaborative and blended learning using its unique xPERT eCampus platform makes it an obvious choice for this award,” says Jim Hanlin, Chief Marketing Officer at TrainingOutsourcing.com. “The ability to incorporate collaboration into learning initiatives is a key differentiator of the Q2 platform that offers customers greater flexibility and improved performance across a variety of learning situations.”

Says Bill Bruck, General Manager of Q2Learning, “It is always gratifying to be recognized by peers in the learning industry, but it’s especially exciting when the recognition comes from an organization such as TrainingOutsourcing.com, which has a long history of bringing best practices for learning outsourcing to light.”

The complete list of specialized providers is available at [http://www.trainingoutsourcing.com/exec\\_top20companies\\_list\\_2007.asp](http://www.trainingoutsourcing.com/exec_top20companies_list_2007.asp)

### **About Q2Learning, LLC**

Q2Learning is the leading provider of enterprise software for collaborative learning and knowledge management. The company’s xPERT eCampus, winner of the 2004 gold Brandon Hall award for innovative technology, offers the ability to drive mastery learning by rapidly developing blended learning programs that weave electronic content, web meetings, practice assignments and coached OJT into integrated programs of study. The xPERT eCommunity enables the rapid creation of communities of practice, performance support and knowledge sharing.
